FAQ

1. What is this year's Direction Donation Campaign goal?

- a) Increase our contributed income by 50%, for a total of \$10,000.
- b) To have a 100% participation of the GCC family.

2. Who should participate in Direct Donation Campaign?

Anyone can participate in the giving campaign!

We are asking all members of our community—parents, alumni and their parents, our Board of Directors, faculty, staff, special friends, local businesses—to contribute as generously as possible. You may also ask your family and friends to contribute.

3. Does tuition cover the full cost of educating a student?

No, tuition only covers 75% of program costs (music education and performance opportunities). As with most non-profit educational organizations, GCC wishes to keep it tuition low. Fundraising efforts, such the Annual Giving contributions, are critical to help GCC close the gap between revenues and operating expenses.

4. Is my donation tax deductible?

Yes, unlike tuition, your direct donation is tax deductible. Glorystar Music Education and Cultural Foundation (DBA Glorystar Children's Chorus) is an IRS 501(c)(3) nonprofit organization, tax ID number is 52-1982929. Each donor receives a thank you letter that serves as a receipt for tax purposes.
